[redacted]

1. [redacted] Had lunch with Clark McFadden, General Counsel, Senate Armed Services Committee, and we talked at some length about the current situation with respect to the Resolution establishing a ~~Select Committee on Intelligence~~ and the action we might expect Chairman Stennis to take in his capacity as Chairman of the CIA Subcommittee of Senate Armed Services. See Memo for Record.

3. [redacted] In a chance meeting with Scott Cohen, in the office of Senator Charles Percy, we talked about the current situation and the establishment of the ~~Select Committee on Intelligence~~ activities and Cohen had some interesting observations. He noted among other things that he thinks the Subcommittee has much too broad an inquiry in terms of agencies and governmental functions to cover in any reasonable length of time. He feels they will be totally overwhelmed by the magnitude of the task facing them.
